RE: Freedom of Information Act ("FOIA") Request-McWane Inc.

To Whom It May Concern:

Under the Freedom of Information Act (Ala. Code § 36-25A-1) (the "Act"), I am requesting the following documents, or documents containing the following information:

All documents regarding, relating to, or otherwise concerning the 35th Avenue Birmingham, Alabama, Jefferson County Superfund Site to the National Priority List. Also, we need anything about the inclusion of Tarrant and/or Inglebrook in the 35th Avenue Superfund Site. For the years 2013-present.:

Our firm is happy to pay the reasonable costs of producing these documents in electronic form via email, if possible. If an electronic production format is not possible, and there are large quantities of hard copies to be made, please inform me as I may wish to reduce the items requested. I look forward to your response and I appreciate your cooperation in this matter. I can be reached at 205-328-9200 or at Amelia@elglaw.com. If I am not available, you may also contact Gary Anderson at Gary@elglaw.com.

Sincerely,

Amelia K. de Buys
